2235QTiMAX-G

1/2" Impact Wrench

Power You Can See.

The 2235QTiMAX-G 1/2" Impact Wrench

The Ingersoll Rand® 2235QTiMAX-G, the power you know and trust in an all new green. The power, durability and reliability of this 1/2" Air Impact Wrench is unsurpassed in the industrial and vehicle service market. Now available in green for technicians who want to customize their toolbox and have visibility to their tool on the job and in the garage.

Tool Features

RELIABILITY

Every component, every mechanism and every function of the 2235QTiMAX-G has been put through the most rigorous testing to ensure it always performs in the face of the toughest applications. Backed by a two-year warranty, the 2235QTiMAX-G is a finely tuned workhorse.

VERSATILE

Optimized for the vehicle repair industry, heavy trucks, tire lane, fleet maintenance, body shops, general industrial use, MRO, rail, heavy machinery, oil and gas, shipbuilding, and construction.

NEW COLOR

The new green 2235QTiMAX-G impact wrench allows you to see it on the job and in the garage, while customizing your toolbox.

POWER

Punish the toughest bolts with 1760 Nm of Nut Busting Torque powered by Ingersoll Rand's finely tuned twin-hammer impact mechanism. The 4-position power regulator and one-handed forward/reverse push button control give you the control to do the job right the first time.
